Important information

Artwork presentation

Any work that will be hung (canvas/framed/watercolour etc.) should have D-rings fixed to the back. This will allow the curator to display the piece in a professional manner.

Place the hooks (pictured above) 4-10cm from the top of your artwork. All hardware shops sell D-hooks. D-hooks come in a variety of sizes depending on the weight of your artwork. Check that you buy the right hook for the weight of your artwork. We might not be able to include your artwork if there is no D-hook.

Submission of artworks

Depending on exhibition space we may only be able to include one piece per person. We will let you know as soon as possible after we receive your application form.

The maximum size of the artwork is 1000 x 1000 mm and 5 Kg in weight.

Drop off/collection of artworks

You will need to drop your artworks at either Link Wentworth's:

- Chatswood Office at Level 10, 67 Albert Avenue, Chatswood; or
- Penrith Office at Borec House, Suite 1002, Level 1, 29-57 Station Street

Please call our Community Programs/Sustainable Communities Team on 9412 5111 to discuss other arrangements.

Artworks need to arrive at Link Wentworth's Chatswood or Penrith office by 4:00 pm Monday 24 May 2021.

Sale of artwork

All artists have an option to sell their pieces. Link Wentworth will not take any commission for the sale or negotiate prices. Any artists wishing to sell their piece can do so by filling out the appropriate section on the application form. Providing this information will help us display your artwork appropriately.

Changes to the name of your artwork, blurb and/or price of your artwork can be sent to us by the application deadline – **5:00 pm Friday 14 May 2021.**

Artwork transportation

Link Wentworth will transport all artworks to the exhibition spaces. Link Wentworth will make every effort to ensure artworks are packaged appropriately to ensure no damage occurs.
