You can find out when applications open each year by looking on our website, our Facebook page, or in the resident newsletter.

How do I apply?

Please complete the application form and return it by the entry deadline (see dates below). An application form and a reply-paid envelope was sent to residents who receive the hard copy newsletter. You can also:

- go to the Link Wentworth website, fill in the form on your computer and email it to communities@linkwentworth.org.au
- pick up an application form from one of our offices
- call us to have an application form posted to you.

How do I fill out the application form?

- You will need to fill out the application form, giving as much detail as possible.
- You will also need to send in documents to support your application. This might include a course acceptance letter, copy of course fees, or quotes for any equipment costs or sporting activities. This is important and helps Link Wentworth to better understand how the scholarship could help you achieve your goals.

To provide support and hints and tips to complete your application, Link Wentworth will run an information session in August that will guide you through the application process. Email communities@linkwentworth.org.au or call 13 14 21 to find out more.
