What kind of repair do you need?

Urgent Repair

A problem that needs immediate action and will threaten your health, safety or security.

For example:
- a fire, flood, loss of essential service or risk of injury.

Please call 13 14 21 immediately

Non-urgent Repair

A problem that needs to be fixed but won't threaten your safety or security if it isn't addressed immediately.

For example:
- a missing fly screen, a broken clothesline, or a door or window that wont lock.

Please visit the link below;

🖥 Visit linkwentworth.org.au/resources-policies-forms/repairs-form/ and fill out our repair form. We will have someone at your property within 5 to 20 days.

📶 If you are having trouble using the form, please call 13 14 21.

Routine Repair

A problem that needs to be fixed but can be scheduled for a later time.

For example:
- smoke alarm inspections, lawns and grounds cleaning or technical inspections.
