

How to lodge a request, complaint or appeal

We don't always get it right. You may be confused by our processes, upset about how we have communicated with you, or feel dissatisfied with how we have managed something to do with your home. There is a process for letting us know if you are concerned about our service or about your home.

Request for service

A request for service is when you have any issue regarding your tenancy that requires an action or service from us.

This includes issues about:
