Scholarship Categories

There are 4 scholarship categories. Here is a brief overview of each category. Read each carefully before selecting the scholarship you wish to apply for. You may only apply for one Scholarship category. Devices may only be applied for through the device category.

1. **Lifelong Learning (up to \$750):** this category supports continued learning, wellbeing, community, and social pursuits. Successful lifelong learning scholarship applications will be awarded to people who can demonstrate how scholarship funds will enrich their health, wellbeing, and continued growth.
2. **School Students (up to \$750):** this category supports school aged students by providing funds towards costs associated with education (textbooks, stationery, uniforms, tutoring, excursions) and extracurricular activities (sporting activities and equipment, music, dance, swimming lessons).
3. **Tertiary Education & Professional Development (up to \$1500):** this category supports applicants by providing money towards the costs associated with attending higher learning institutions such as Tafe, University, or other approved course providers. Successful applicants will be able to demonstrate how the funds will be help them to meet their professional or academic goals.
4. **Device (up to \$750 towards a device):** this category provides funds towards purchasing laptop and computers. Successful applicants will need to explain how the device will help them to meet their learning goals. A standard laptop will be offered if not otherwise specified.
